

# FISO@Stockholm Introduction

Stefano de Panfilis and John Domingue

EC Contact: Anne-Marie Sassen

[services.future-internet.eu](http://services.future-internet.eu)

# FISO Role?

The Future Internet is polymorphic infrastructure, where the boundaries between silo systems are changing and blending and where the emphasis is on the integration, interrelationships and interworking of the architectural elements through new service-based interfaces

# Agenda

9:00 Introduction (John Domingue and Stefano de Panfilis)  
9:15 Report back from Cross-theme Sessions from
